Dear Sir:

Applicants herein respond to the Notice of Allowability dated November 12, 2003. First, Applicants note an error in the title as it appears in the Notice of Allowance. The final word in the title as printed in the Notice of Allowance is "CHAMBERS" when it should be --CHAMBER--. (See First Amendment transmitted 2/28/01.)

Second, Applicants note that the Examiner's reasons for allowance do not exactly track the claim language. Applicants contend that the claims are allowable based on the limitations expressed therein. For example, prior art fails to anticipate or render obvious claim 41's plasma processing system comprising a first chamber configured to generate a first plasma therein; and a second chamber coupled to the first chamber, wherein the second chamber is configured to initially generate a second plasma therein, further configured to lose an ability to generate that second plasma, and configured to receive the first plasma, wherein the first plasma is configured to restore that ability. Dependent claims 42-44 are allowable based on the limitations they

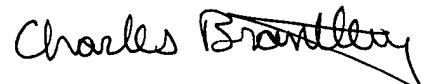

express as well as incorporate by reference. Similarly, Applicants contend that prior art fails to anticipate or render obvious claims 45-69 given their expressed/incorporated limitations.

Accordingly, Applicants request that the Examiner acknowledge such reasons for allowability.

Third, Applicants filed an Information Disclosure Statement (IDS) on November 12, 1999, with the original application documents (including the IDS references) but cannot locate a copy of the 1449 form initialed by the Examiner. Applicants request that the Examiner send an initialed copy of that 1449 form to Applicants. Copies of the previously submitted IDS and 1449 forms are attached to this Response.

If there are any matters which may be resolved or clarified through a telephone interview, the Examiner is requested to contact Applicants' undersigned attorney at the number indicated.

Respectfully submitted,

Date: 12/17/13
